and the United States' enforcement expenses for the collection action under Section 113(d)(5) of
the Act, 42 U.S.C. § 7413(d)(5). The validity, amount, and appropriateness of the civil penalty

Interest will accrue on any overdue amount from the date payment was due at a rate established by the Secretary of the Treasury. In addition, Respondent must pay a quarterly nonpayment penalty each quarter during which the assessed penalty is overdue according to Section 113(d)(5) of the Act, 42 U.S.C. § 7413(d)(5). General Provisions

15. This CAFO resolves only Respondent's liability for federal civil penalties for the violations alleged in the Complaint.

16. This CAFO does not affect the right of EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violation of law.

17. This CAFO does not affect Respondent's responsibility to comply with the Act and other applicable federal, state, and local laws. Compliance with this CAFO will not be a defense to any actions subsequently commenced pursuant to federal laws administered by Complainant.

18. This CAFO constitutes an "enforcement response" as that term is used in EPA's *Clean Air Act Stationary Source Civil Penalty Policy* to determine Respondent's "full compliance history" under Section 113(e) of the Act, 42 U.S.C. § 7413(e).

19. The terms of this CAFO bind Respondent, its successors, and assigns.

20. Each person signing this consent agreement certifies that he or she has the authority to sign for the party whom he or she represents and to bind that party to its terms.

21. Each party agrees to bear its own cost and attorneys' fees in this action.
